01/26/2021	141	<p>The Court has received the parties joint request that the January 28, 2021 Discovery Hearing be held in person at the C. Clyde Atkins U.S Courthouse. In particular, the parties cite the complexity and significance of the issues involved, along with their desired means of presenting exhibits. The Court takes notice of these concerns but must weigh them against the ongoing public health crisis due to COVID-19. Upon due consideration, in light of the most recent CDC guidelines and regional infection rates, the Court concludes that it is not possible to safely conduct hearings in person at this time, and thus all proceedings related to this discovery dispute will be held remotely via Zoom.</p> <p>The Court is, however, amenable to arrangements that would better accommodate the parties presentation methods (see, e.g., screen sharing and advance submission of exhibits to chambers email). The Court is additionally amenable to postponing the January 28th hearing if necessary to afford the parties opportunity to prepare alternative presentation. Any request for continuance of the hearing should be presented with two alternative dates mutually available to the Parties. Signed by Magistrate Judge Lauren Fleischer Louis on 1/26/2021. (eb00) (Entered: 01/26/2021)</p>
